

Thank you for completing University Readiness!

by Alison DeRudder

Thank you for completing the University Readiness online course!

We hope you now feel more confident about some of the key aspects of your future study journey, and know where to go if you have further questions.

Of course, we are always looking to improve our services for Torrens University students. To help us, we would appreciate it if you could **complete a short evaluation** by clicking the link below. The questions should take around 5 minutes to complete.

Remember if you have questions about your study, get in touch with [Student Services](#).

Enjoy your journey with Torrens!
